

UNITED STATES BANKRUPTCY COURT SOUTHERN DISTRICT OF MISSISSIPPI

The Court has made a few minor changes to it's web site to improve user's ability to locate information on the site.

The most notable change for regular filers is renaming the "Attorney" tab to "Electronic Case Filing" which better reflects that the tab contains important information for all electronic filers, including attorneys.

Please check any pages or links to our website you may have Bookmarked or added to your Favorites as these pages or links may have changed.

We hope you find the changes helpful. As always, we welcome feedback and suggestions at feedback@mssb.uscourts.gov.
